EXAMINER
----------

HAMILTON, LALITA M

ART UNIT	PAPER NUMBER
----------	--------------

3624

DATE MAILED: 05/24/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

## **DETAILED ACTION**

### **Non-Responsive Amendment**

The timely submission under 37 CFR 1.129(a) filed on January 24, 2005 is not fully responsive to the prior Office action, because in the remarks, claims 20-21 and 34 are indicated as being amended. In claim amendments, 20 is labeled "original" and 21 and 34 are labeled "previously presented". The Applicant should make corrections and resubmit the amendment. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).

### **Conclusion**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lalita M Hamilton whose telephone number is (571) 272-6743. The examiner can normally be reached on Tuesday-Thursday (8:30-4:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vincent Millin can be reached on (571) 272-6747. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 3624

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
